

HP Services & LeftHand P4000

HP Services & LeftHand P4000

Drive better business outcome with HP

Why HP LeftHand P4000?

- Full end to end solution – Hardware, software, services, support and virtualisation
- Reduction of management costs by up to 50%
- All inclusive pricing to save cost
- Easy third party integration
- Virtualising with LeftHand P4000 – smaller sites and remote offices can convert existing server based storage into SAN storage which may be managed like a physical SAN without additional cost

Why HP Services?

- Flexible services which are more cost effective
- Better access to technical expertise
- Wide range of services offered
- Speed up ROI of technology investment
- Improve management & IT performance
- Reduce risk to your valuable data with HP service professionals
